At St Walburga's School, we believe that all pupils have a right to learn in a supportive, caring and safe environment without the fear of being bullied. We promote good behaviour. It is made clear that bullying is a form of anti-social behaviour. It is totally unacceptable and will not be tolerated. We want our pupils to develop an understanding of right and wrong, in an environment that promotes justice and compassion. We want our pupils to learn that they have rights and responsibilities, and that they are responsible for their behaviour through making good choices.

OUR SCHOOL AND CLASS RULES:

In this school:

- We love one another – we are kind and show respect to the adults and children in our school.
- We welcome all – we are friendly in our words and actions. We take care of our classroom to make it a welcoming place where everybody feels safe.
- We serve God and one another – we help the adults and children in our school and our community.
- We learn to be the best we can - we always try hard with our work

Measures to Prevent Bullying

Bullying is not tolerated in St. Walburga's School. Our Behaviour Policy and Mission Statement sets out clear rules and expectations. Working as a whole school we aim to be aware of what constitutes bullying, where it may take place and how best to prevent it. Each member of staff is prepared to listen to any child who has a problem, showing sensitivity and giving support and counselling to the bullied and bully to prevent further incidents. Senior staff are available throughout the day if help is needed.

Our school emphasises care for individuals, love of one another and respect for each other. We reward children for their efforts, building their self-esteem, and emphasise their role as members of a community. Children are taught that no one has the right to hurt them and equally they must not hurt others. These aspects are frequently taught and reinforced through PHRE scarf program, Ten Ten sessions, Caritas sessions. The children are encouraged to tell an adult if they are hurt or made unhappy by the actions of others. They are made aware that if they are bullied it is not their fault.

We have PHRE ambassadors from Year 6 who work through the school during play times to support children. Key Stage 2 Buddy and sports ambassadors who work with groups of children during play time to engage children in different activities to prevent incidents occurring or identify potential issues arising and deal with before they escalate.

All accusations of bullying are taken seriously by staff and are investigated.

We would encourage any incidents to be reported so we may respond swiftly.

Addressing Incidents of Bullying

If incidents of bullying, whether verbal or physical, are reported by a child, parent or member of staff, we will investigate the incident fully by speaking to all the children involved, i.e. the child(ren) being bullied, any witnesses and to the child(ren) bullying. Where, on investigation, the report about a bullying situation is found to be justified, we will act at once to:

- contact the parents of the child bullying and ask them to come to the school, where the situation will be explained to them by a senior member of staff;
- ask the parents of the child bullying, and the child to agree to and sign a written commitment to stop the behaviour immediately;
- make clear to the child what he or she must and must not do in the future, and what the consequences of a repeat offence will be;

- apply appropriate sanctions from the School's Behaviour Policy;
- continue to monitor the situation carefully until the victim feels safe and the bullying has ceased;
- ensure a clear written account is kept of all stages in the process, and the relevant class teacher(s) is kept informed.

Parental Involvement

Parents may not be involved in minor incidents if the teacher and child(ren) feel confident that the problems have been resolved. However, if a child is distressed parents need to be consulted and appropriate actions considered.

Parents will be informed and consulted if incidents of bullying continue.

Parents and other adults are asked to inform the school if a child reports being bullied or shows unusual behaviour at home. All reports will be considered seriously and investigated.
