9<sup>th</sup> September 2025

Dear Parents and Carers

We greatly value music in our school. The school has arranged for Year 3 to learn to play the recorder as part of their music lesson up until Christmas. This is a very exciting opportunity and we are very pleased that the school is able to fund this for the children once again. The lesson will be taught by Mrs Meekers, a peripatetic music teacher who will come in to teach your child's class once a week for the Autumn Term. She will be teaching the children a number of musical techniques including the skill of reading music.

The school will be funding the cost of the lessons, however, we would like to ask you for a contribution of £3.50 for the cost of the recorder and case. The recorder will then belong to your child and they will be able to keep it when the lessons have finished. Your child will be asked to take the recorder home after their lesson in order to practise and then bring it back into school **every Tuesday** starting on 16<sup>th</sup> September, until Christmas. The £3.50 contribution can be paid online via WisePay. If your child already has their own recorder at home please indicate on the online reply slip that you do not need a school one.

Please can you purchase the recorder on WisePay and complete the online reply slip by clicking on the following link **by Friday 12<sup>th</sup> September** <https://forms.office.com/e/hYvuRrbneh>

Thank you for your support and we look forward to seeing (or rather hearing!) what the children can achieve.

Yours sincerely

Mrs Jones  
Music Subject Leader
