Dear Parents and Carers,

## KS2 Home School Agreement and Acceptable Use Agreement

All schools should have a Home School Agreement which should be formally signed by the school and a parent or carer. You may remember signing one on behalf of your child when he or she joined Reception. It is recommended that it is reviewed when children start Key Stage Two (KS2) and that children should sign it as well as their parents or carers. As your child is now in Year 3, he or she is required to read the KS2 agreement and sign it.

Additionally, as part of our Online Safety Policy, all children and their parents or carers are also asked to sign an Acceptable Use Agreement to ensure that the children understand how they should be using the IT system and internet in school. When children reach KS2 there is a different policy, and like the Home School Agreement, they are required to sign it as well as their parents and carers.

Your child in Year 3 will therefore be bringing home a hardcopy of the Home School Agreement and Acceptable Use Agreement this week (printed on yellow paper). We will talk to them about it in school but we also require you to go through both agreements and sign them both along with your child. Please return the completed agreements to school by **Wednesday 25<sup>th</sup> September**. When they have been received at school I will sign them and will then arrange for them to be photocopied and sent home for your records.

Thank you for your support with this. If you wish to discuss anything within either agreement, then please don't hesitate to get in touch with the school office. The Home School Agreement and the Acceptable Use Agreement are also available to view on our school website.

Yours sincerely
