7th October 2026

Dear Parents and Carers,

School Photographer – Monday 19th October 2026

The school photographer will be visiting school on Monday 19th October 2026. Please can you ensure that your child comes to school looking smart in their winter uniform (not PE Kit, even if it is their PE day). **Every child will be photographed individually, during school time and we will automatically take photos of the children with their siblings that are attending the school.**

If you have any non-St Walburga's children (pre-school age or secondary school age) who you would like to be photographed with your St Walburga's children, you are very welcome to bring them **all** along to the school hall at **8.00am on Monday 19th October**. These family groups will then queue up and have their photo taken before school starts. The inclusion of pre-school and older children means that parents will be responsible for ensuring their good behaviour and I would be grateful for your co-operation.

We must emphasise that there is no obligation at all for you to purchase the photographs, but should you wish to, your child will bring home a slip of paper which will give you all the details on how you can view and order the photos online. You can order various different packs of the photos and some make great Christmas presents! The photos should become available to order approximately 7-10 days after they have been taken, so keep the slip of paper with the order details safe!

Yours sincerely,

Veronica Woodward
